```

The diagram is a bracket-style tournament bracket. It starts with 10 teams in the first round, represented by empty rectangular boxes. The teams are paired into five brackets. The winners of these brackets advance to a final round, represented by another set of five empty rectangular boxes. The winners of the final round are represented by a single empty rectangular box at the bottom. The text "D30 10U All Stars coming soon" is at the top of the diagram.
